

## MOST RECENT PHOTOGRAPH OF HIS HOLINESS POPE BENEDICT XV.

His Holiness is seated at his working desk in the Vatican. The picture was made on September 3 last, the occasion being the second anniversary of the proclamation of the Holy Father. Especial interest attaches to it at this time because of the reported moves by the Central Powers to restore temporal power to the Pope in an effort to embarrass Italy.

### CONTROVERSY OVER BLAKELOCK'S WORKS STIRS NEW INTEREST IN HIS BEST EXAMPLES

At the left is "The Edge of the Lake," a typical Blakelock landscape, shown in a recent loan exhibition at the Reinhardt Galleries. At the right is a "Moonlight," hanging in the Engineers Club in this city. Another "Moonlight" was sold last winter, at the Catholina Lambert sale, to the Toledo Museum for \$20,000. Still another "Moonlight" is in Senator Clark's collection, he having paid more than \$15,000 for it at the W. T. Evans sale.
